

REEPHAM HIGH SCHOOL & COLLEGE

A Specialist Science, Applied Learning and Mathematics & Computing Centre

Principal: Christopher Hassell B.A. M.Ed.

CH/LJF

4.2.2010

Dear Parent / Carer

The Student Responsibility Posts are shortly to be re-allocated within Reepham High School & College. The school believes these appointments are of great benefit to the students as they enable leadership skills to develop and promote a sense of pride and responsibility within the school.

Please go through the booklet with your child and encourage him/her to apply for any posts they are interested in. The booklet is also available to view on line through the school's website. The posts are open to students of all ages.

Please be aware that our new Student Support Officer, Mrs Fuller is overseeing the process this time through.

Thank you for your help in this matter.

Yours sincerely,

C. Hassell

Principal
